Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live.
Able to love.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live.
Able to love.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live.
Able to love.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live.
Able to love.

I'm available.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live
Able to love

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live,
Able to love.
Able to live,
Able to love.

I'm available.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live,
Able to love

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live,
Able to love

I'm available.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live,
Able to love

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Nobody's business if I
Walk, talk, make love, sing,
But I'm able to love.

Able to live,
Able to LOVE
