I could watch you for a lifetime You're my favourite
movie
A thousand endings You mean everything to me
I never know what's comin' Forever fascinated
Hope you don't stop runnin' To me 'cause I'll always be
waitin'
You are A cinema I could watch you forever
Action Thriller I could watch you forever
You are A cinema A Hollywood treasure
Love you Just the way you are
A Cinema A Cinema A Cinema
A Cinema A Cinema A Cinema
Stars spell out your name Like in a science fiction
drama
Romance roll in Like a flower in the summer
You always keep me guessin' Forever my wonder
Hope you start undressin' All my dreams until the end
of
You are A cinema I could watch you forever
Action Thriller I could watch you forever
You are A cinema A Hollywood treasure
Like you Just the way you are
A cinema A cinema A cinema
A cinema A cinema A cinema
Never know what movie you're playin'
Never know what movie you're playin'
Never know what movie you're playin'
Never know never know never know

You are A cinema A Hollywood treasure
Love you just the way you are
A cinema A cinema A cinema
