Gotta have house music
All night on,
With that house music
You can't go wrong!

Give me that house music to set me free
Lost in house music is where I want to be.

Is gonna set you free
Moove your body
Party your body x 6
Music is gonna set you free.
Moove your body
Shake your body.

Moove your body (repeat)
Cause house music is gonna set you free
Moove your body, set your body...

Is a house party x 2
Rock your body x 6
(Repeat)
All night long... x 2
Moove your body x 8
Sexy body x 2
Moove your body,
Sexy body...

Everybody sets it's hands up in the air
Hey everybody set your hands {up in the air} x 4
Hey everybody rise your hands up in the air.

Gotta have house music
All night on,
With that house music
You can't go wrong!
Need that house music to set me free
Lost in house music is where I want to be.

Is gonna set you free! x 4
Party your body x 6

Music is gonna set you free!

Moove your body, shake your body!

Moove your body... (repeat)
