(jon bon jovi)

Phil:

This romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up

It's been raining since you left me
And I'm drowning in the flood
You see I've always been a fighter
But without you, I give up

Roger:

Now I can't sing this love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But baby that's just me

And I will love you baby...always
And I'll be there forever and a day...always

Lee and phil:

I'll be there till the stars don't shine
Till the heavens burst and the words don't rhyme
I know when I die you'll be on my mind
And I love you always...baby

Phil:

Now the pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye

What I'd give to run my fingers through your hair
To touch your lips, to hold you near

When you say your prayers, try to understand
I've made mistakes, I'm just a man

Lee:

When he holds you close, when he pulls you near

When he says the words you've been needing to hear
I'll wish I was him, and the words are mine
To say till the end of time

All:

Yeah I will love you baby always...
And I'll be there, forever and a day...always

Roger and phil:

If you told me to cry for you, I could
If you told me to lie for you, I would
Take a look at my face, there's no price I won't pay
To say these words to you

Lee:

Well there ain't no luck in these loaded dice
But baby if you give me just one more try
We can pack up our old dreams and our old lives
We'll find a place where the sun still shines

All:

And I will love you baby...always
And I'll be there forever and a day...always
I'll be there till the stars don't shine
Till the heavens burst and the words don't rhyme
I know when I die you'll be on my mind
And I love you always...baby
