If you're looking for lovin',
Then here's what you're looking for,
Complete understanding,
Is all I can give you and what's more,
Baby, without a doubt, I'm all played out,
I need a different route, cos...

It takes two to get this started,
If you're not sure, then don't go there;
Baby, girl, if you're mine,
Don't waste my time, don't go there...

Need someone who's gonna care for me,
100% and more,
Someone who is prepared to be,
Ready and willing just for us,
Girl, I've had my share of love affairs,
Won't you tell me,
If you don't feel the same way too,

Don't go there, cos...

It takes two to get this started,
If you're not sure, then don't go there;
Baby, girl, if you're mine,
Don't waste my time, don't go there...

It's taken me time to find this out,
That nothing good comes from messing around,
I've found all I want, you're all that I need,
Oh, yeah...

It takes two to get this started,
If you're not sure, then don't go there;
Baby, girl, if you're mine,
Don't waste my time, don't go there...
