Roger:

Where's your dignity?

Where's your respect?

It's all wrapped up in your foolish pride

That's what I suspect

Phil:

I heard a little rumour

That you've been runnin' me down

Shootin' your mouth off about me

All over town

Chorus:

Don't talk the talk

If you can't walk the walk

Either practice what you preach

Or quit wastin' my time

Don't talk the talk

If you can't walk the walk

The grass is always greener

On the other side

Phil:

How dare you come to me

With your apology

A promise is a comfort to a fool

But you can't fool me

Roger:

See all of this time

You thought you'd be sellin' me out

But I know all the kinda games you play

And I know what you're all about

Repeat chorus

Don't talk the talk

If you can't walk the walk

The grass is always greener

On the other side

Roger:

Isn't it funny - what goes around comes around
But you never could see that
Always just a little too proud
But if you really wanna learn the hard way
Then you gotta play the game my way
'cos I ain't never gonna take no...
From you, from you, from you....

Repeat chorus
