Nothing can bother me, no ooh-ooh, ooh-ooh, ooh-ooh

[Chorus:]

I can run a thousand miles and I'll never tire
I can swim across the ocean over and over
See, I'm fearless, I'm fearless oh,
I'm fearless and nothing can bother me
Nothing can bother me, no no

As I walk through the valley of the shadow of death
Me not afraid threat cause I'm forever fearless
And when time they want my life hanging by a thread
Me nah let them face me cause I'm forever blessed
The [?] on dem nar like my plan to see me fall
Or rather crucify me when my back's against the wall
Good over evil that's why I conquer over all
My feet cemented in the ground that's why I stand tall
Every day I'm on top of the world
And no one can bring me down
Born with the mind of a warrior, heart of as lion
I'm a king that's why I wear this crown
And that's why...

[Chorus:]

I can run a thousand miles and I'll never tire
I can swim across the ocean over and over
See, I'm fearless, I'm fearless oh,
I'm fearless and nothing can bother me
Nothing can bother me, no no

Fearless

So when they're hating, I ain't hearing that
Threat 'em like Houdini, make them do a disappearing
act
From the highs to the lows, got to stay on track
Grab hold of every moment like you're never gonna get
that moment back
Fear, don't have none of that
Swear, son I love the fact
They do and they hope you fall but like the NFL they're
running back

Sometimes it seems like chasing my dreams had me
running laps
But look at me now, I flow like water from a running tap
So from here on in I think it's best you know
You'll never ever have to feel like you're all on your own
Any time you're feeling scared, let this song be what
you play
Look yourself in the mirror and this is what you're
gonna say...

[Chorus:]

I can run a thousand miles and I'll never tire
I can swim across the ocean over and over
See, I'm fearless, I'm fearless oh,
I'm fearless and nothing can bother me
Nothing can bother me, no no

Nothing can bother me, no ooh-ooh, ooh-ooh, ooh-ooh
See, I'm fearless, I'm fearless oh,
I'm fearless and nothing can bother me

[Chorus:]

I can run a thousand miles and I'll never tire
I can swim across the ocean over and over
See, I'm fearless, I'm fearless oh,
I'm fearless and nothing can bother me
Nothing can bother me, no no
