Words and music: james harris iii & terry lewis

Darlin' i
I can't explain
Where did we lose our way
Girl it's drivin' me insane

And I know I just need one more chance
To prove my love to you
If you come back to me
I'll guarantee
That I'll never let you go

Chorus
Can we go back to the days our love was strong
Can you tell me how a perfect love goes wrong
Can somebody tell me how you get things back
The way they use to be
Oh God give me a reason
I'm down on bended knee
Yeah oh lord
I'll never walk again
Until you come back to me
I'm down on bended knee

So many nights I dream of you
Holding my pillow tight
I know that I don't need to be alone

When I open up my eyes
To face reality
Every moment without you
It seems like eternity
I'm begging you, begging you come back to me
Chorus can we go back to the days our love was strong
(you know I just wanna go back)
Can you tell me how a perfect love goes wrong

Can somebody tell me how you get things back
The way they use to be
Oh God give me a reason
I'm down on bended knee

Yeah oh lord
I'll never walk again
Until you come back to me
I'm down on bended knee

Gonna swallow my pride, say I'm sorry
Stop pointing fingers the blame is on me
(ooh the blame is on me)
I want a new life and I want it with you
If you feel the same don't ever let it go
You gotta believe in the spirit of love
Will heal all things won't hurt any more

No I don't believe our love's terminal
I'm down on my knees begging you please
Come home

Chorus
Can we go back to the days our love was strong
(can we go back babe I just wanna go back)
Can you tell me how a perfect love goes wrong
Can somebody tell me how you get things back
The way they use to be
Oh God give me a reason
I'm down on bended knee
Yeah
I'll never walk again
Until you come back to me
I'm down on bended knee
