(lew/graham)

Lee:

All I ever wanted was someone like you  
The girl I always dreamed of was just like you  
Everytime I think of you  
Know that I can't ever live without you  
Without someone like you

Roger:

I just wanna share my life with someone like you  
Wouldn't have a care if she was just like you  
Every night I fantasize  
I just wanna look into your eyes  
Wanna be with someone like you

Chorus:

Someone like you  
Gotta be true  
Gotta be true  
Someone like you

Just like you  
Just like you

Lee:

I never wanna be without someone like you  
I don't need a reason 'cos the foot fits the shoe  
Breakin' up is hard to rhyme  
Lookin' back is such a waste of time  
I don't wanna lose someone like you

Roger:

All I ever wanted was someone like you  
The girl I always dreamed of was just like you  
Everytime I think of you  
Know that I can't ever live without you  
Without someone like you

Repeat chorus
