Roger

I know we can make it, I know we can make it
I've been waiting for a girl like you to come my way
I've been waiting for a girl to shine some light on my
days
I've been searching for that someone who could
understand me
Someone who's not afraid to laugh or cry and share
that with me

Girl

I've been waiting for a boy like you to hold my hand
I've been waiting for a boy like you to give me a chance
And I've been longing for that feeling of being
complete
You have shown me just how good love is when two
minds meet
I know I know I know

Chorus

CR: We can make it if we try, we can make it you and I
We can ...
Girl: We can make it if we try
CR: We can ...
Girl: A love like ours can't be denied
CR: We can make it if we try, if we believe in you and I
We can ...
Girl: We can make it if we try
CR: We can ...
Girl: A love like ours can't be denied

Girl

Could you be the kind to love unconditionally
Lee
Could you be the kind to overlook the faults in me
Girl & Lee
We don't have to last forever just for the rest of our
lifetime
If you're feeling what I'm feeling,
Then this is the right time ...

Chorus

Phil

Well I guess that it was worth the waiting

Cos now you see what you mean to me

Girl

Well this time there'll be no hesitating

If I was blind, I'd still see you as mine

Phil & Girl

Oh oh ... oh baby yeah

Cos I know ...

Phil

I know that we can make it ... yeah ...

CR: We can make it if we try, if we believe in you and I

We can ...

Girl: We can make it if we try

CR: We can ...

Girl: A love like ours can't be denied

Chorus 2x

Roger

And I know we'll make it ...

Girl

Know we'll make it ...

Roger & Girl

You and I...
