Da dada dadadadada Da dada dadadadada

Chorus

What would you do if I told you I love you

What would you do would you be here tomorrow

And what would you say

Would you just walk away

What would you do what would you do baby

Tell me what would you do

If I was to say to you

My feelings are strong

My feelings are true ... for you

Would you walk away yeah

Tell me tell me tell me tell me

Chorus

Tell me what would you feel

If I was no longer here

Would you be lonely

Would you be scared ... baby (baby baby)

Would you even care (what would you do) ... baby

baby

I like the way you flow

Show me the way to go

Cos I'm not to let you know

You are my only goal ... baby

But would you still be here

Tell me tell me tell me tell me

What would you do if I told you I love you

What would you do would you be here tomorrow

And what would you say

Would you just walk away

What would you do, would you just walk away

What would you do what would you do baby

Da dada dadadadada Da dada dadadadada

Da dada dadadadada Da dada dadadadada

Musical bridge

Tell me girl what would you do
