La La La La La...  
It's getting late  
But I'll wait  
Up to greet the dawn.

Pour some champagne  
And refrain  
From moving on.  
There's got to  
Be more than this  
To our simple serenades.

I'm waiting 'til the spotlight fades.

A case of vanity kills  
They're all up for the thrills  
But not the working darlin'.

Life's a roll of the dice  
But you'll pay the price  
When that curtain falls.  
La La La La La...  
Another place  
Another name  
Another sleepless night.

But still they come  
They adore  
How could I not oblige.  
There's got to  
Be more than this  
To our simple serenades.

I'm waiting 'til the spotlight fades.

A case of vanity kills  
They're all up for the thrills  
But not the working darlin'.

Life's a roll of the dice  
But you'll pay the price  
When that curtain falls.

Caught in this constant flow of flattery,  
Is there no getting by the sound?  
But still that thoughts ringing out.

There's got to be something more than, something  
more than this!  
A case of vanity kills  
They're all up for the thrills  
But not the working darlin'.

Life's a roll of the dice  
But you'll pay the price  
When that curtain falls.

A case of vanity kills  
They're all up for the thrills  
But not the working darlin'.

Life's a roll of the dice  
But you'll pay the price  
When that curtain falls.  
La La La La La...
