I'm sittin alone, Saturday night, watching the Late Late Show

A bottle of wine, some cigarettes, I got no place to go  
Well, I saw your other man today, he was wearing my brand new shoes  
And I'm down to seeds and stems again, too

Well, I met my old friend Bob today from up in Bowling Green  
He had the prettiest little gal that I'd ever seen  
But I couldn't hide my tears at all 'cause she looked just like you  
And I'm down to seeds and stems again, too

Now everybody tells me there's other ways to get high  
They don't seem to understand, I'm too far gone to try  
Now these lonely memories, they're all I can't lose  
And I'm down to seeds and stems again, too

Well, my dog died just yesterday and left me all alone  
The finance company dropped by today and repossessed my home  
That's just a drop in the bucket compared to losing you  
And I'm down to seeds and stems again, too

Got the down to seeds and stems again blues
