born on the banks of the tenessee river 20 something
years ago

i got a chip on each shoulder. momma tattood on my
chest mister that was all she wrote.

im a country bad ass
where im from is where im at a country bad ass

son of a two-fisted chew spittin never leaving
lookin about texas hell rasing girl chasing b-b-b born to
fight

c-o-u-n-t-r-y a country bad ass

i got the switch blade scare on the side of my face
down in some worn out jail
i know there's two sides to every story

but dead man tell no tells

your looking at a country bad ass

where im from is where im at a country bad ass

son of a two-fisted chew spittin never leaving
lookin about texas hell rasing girl chasing b-b-b born to
fight

c-o-u-n-t-r-y- a country bad ass

and that devil he loves a rebel
and he always drags them down

but i got angles all around me
trying to take me to higher ground

want you take me
come on and take me

take me to higher ground

oh want you take me to higher ground

come on and take me

take me to higher ground

country bad ass haaa.
