You make me cry and that aint like me  
You make me laugh and that aint easy  
You make me give my heart to you  
And girl that's one thing I just don't do  
Look what you've done I never needed anyone but I  
need you  
You made me dream and I'm not a dreamer  
I've had my doubts now I'm a believer.  
I've changed my ways because of you.  
And Girl, that's one thing I just don't do.  
Look what you've done I never needed anyone but I  
need you.  
You turned my world upside down and showed me  
things that I would have missed.  
Before you I never knew that life could be as good as  
this.  
You make feel a little deeper  
You make me stay when I was leaver.  
You made me say I love you.  
Girl, that's one thing I just don't do.  
Look what you've done I never needed anyone but I  
need you.  
Look what you've done I never needed anyone but I  
need you.
