[Cody Simpson]

I can't believe I got a second chance at love  
I can't believe we got a second chance at us  
I can't believe I got a second chance at love  
'Cause your making me the only one

Right from the start  
I knew for sure  
You'd be the one that my heart runs to, yeah

No matter what  
Can't let you go (nope)

Never gunna let go  
I ain't gunna let go (no)

I could've been anywhere right now  
But nowhere feels better than home  
(yeah, yeah, yeah)

If you don't know you should know right now  
That you're the only one that I want  
(oh, oh, oh)

I can't believe I got a second chance at love  
I can't believe we got a second chance at us  
I can't believe I got a second chance at love  
'Cause your making me the only one

(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah, yeah

This one is cold  
Don't need no coat  
You warm me up when you shine my way

No need for sleep  
Girl, you're in my dream  
Don't wake me up from your love  
(Don't wake me up from your love)

I could've been anywhere right now

But nowhere feels better than home  
(yeah, yeah, yeah)

If you don't know you should know right now  
That you're the only one that I want  
(oh, oh, oh)

I can't believe I got a second chance at love  
I can't believe we got a second chance at us  
I can't believe I got a second chance at love  
'Cause your making me the only one

(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah, yeah

[Tinchy Stryder]

The said the doors were closing in  
Grab the towel, throw them in

Let's try a second time  
If it's wrong, we fit the crime

Now the doors are opening  
Take my hand, let's try again

Yeah, we're born to fight  
Welcome some soldiers in

[Cody Simpson]

I can't believe I got a second chance at love  
I can't believe we got a second chance at us  
I can't believe I got a second chance at love  
'Cause your making me the only one

(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah  
(oh, oh, oh) Yeah, yeah, yeah
