ay na na na na na x 4

I always thought that love at first sight was something  
just make believe

â€˜till the day you walked by and for the first time, i  
couldnâ€™t find the words to speak

said i want to get know ya (yeah, yeah),

iâ€™ll do anything, to get a little closer

and sheâ€™s looking like

hey boy come over

and if i get her, swear iâ€™ll never let her go oh no oh,  
ho ho

oohhh, and we canâ€™t get off the floor, next thing  
you know she coming home

to me, my mama and i canâ€™t believe it all started  
with me saying

ay na na na na na girl youâ€™re the one i want

ay na na na na na

and she was like, hey boy i just canâ€™t take my eyes  
off ya

ay na na na na na think i love you x2

they can say whatever they like, thinking will never last  
but every day we moving on up, yeah we never looking  
back (looking back)

see i had to get to know ya (yeah, yeah)

i did everything, to get a little closer (yeah, yeah)

now we riding on this love rollercoaster (yeh, yeah)

and i donâ€™t even wanna get up, i wanna keep rolling  
ooh, we went from talking on the phone, now

everyday iâ€™m rushing home

is she my dream girl, canâ€™t believe it all started with  
me saying

ay na na na na na girl youâ€™re one i want

ay na na na na na

and she was like, hey boy i just canâ€™t take my eyes  
off

ay na na na na na think i love you x2

who knew sheâ€™s my future, better everyday

who knew that she wanna be my everything

itâ€™s over sheâ€™s all i  
ever gonna need and more  
i canâ€™t believe it all started with

we knew heâ€™s my future, better everyday  
who knew that he wanna be my everything  
itâ€™s over heâ€™s all i  
ever gonna need and more  
i canâ€™t believe it all started with

ay na na na na na girl youâ€™re one i want  
ay na na na na na  
and she was like, hey boy i just canâ€™t take my eyes  
off (she canâ€™t)  
ay na na na na na think i love you x2  
ay na na na na na x 4  
and i think i love ya.
