Oh whoa
Oh whoa
Lets go!

Where did my girl go?
Seen her round your way, does anyone know?
Its been an awful day.
Me she was thinking, some things need to change,
cause we used to be inseparable.
Back then, everybody wanted to be us we had a good
thing.
All to be given up,
Top of the world guess nothings for sure, cause we
used to be invincible.

Now you never go out, all ever talk about is him, so
boring, boring.
Used to be the life of the show, never said no.
Where's the girl I used to know?

Before you had a boyfriend, you really something, had
it together, I liked you better.
Before you had a boyfriend, see you every weekend,
had it going on, you were the bomb.
I should've been your boyfriend, (oh whoa) if we were
together, things would be better.
I wish I was your boyfriend (oh)
Cause I liked you better back then, before you had a
boyfriend.

It's always like this, as soon as you fall in love, you
through it all in, forget about everyone.
Know if it ends, you be right here again, cause it's
always predictable.

Now you never go out, all ever talk about is him, so
boring, boring.
Used to be the life of the show, never said no.
Where's the girl I used to know?

Before you had a boyfriend, you were really
something, had it together, I liked you better.

Before you had a boyfriend, see you every weekend,
had it going on, you were the bomb.
I should've been your boyfriend, (oh whoa) if we were
together things would be better.
I wish I was your boyfriend (oh)
Cause I liked you better back then, before you had a
boyfriend.

Oh whoa
Oh whoa
Here's the thing, I like you better when you were single
(single, single) yeah
Here's the thing, you're so much better when you're
single (single, single) one more time!

Before you had a boyfriend, you were really
something, had it together I liked you better.
Before you had a boyfriend, see you every weekend,
had it going on, you were the bomb.
I should've been your boyfriend, (oh whoa) if we were
together things would be better.
I wish I was your boyfriend (oh)
I liked you better back then, before you had a
boyfriend.
