I'm back to put the sunshine in your mind
Cause, I don't like the way hes got you raining all the
time.
Put away your troubles by leaving him behind.
So every time you look up clear blue sky
But here he comes again
Like a cloud in your view,
Blocking all of your light,
Like only he could do don't listen to his sorries girl,
DROP HIM. DROP HIM.

He really needs to stop it cause I'm your only topic now,
With me you never end up in same silly situations. NO.
Don't you know that if you were to walk then I'll be here
waiting.
Girl don't you cry your heart out,
Let me stop before you start out
Don't need his explanations, NO.
Cause he don't really wanna know about,
The way your feelin' now
Cause I'm the one who's here for you, NO DOUBT.
So Don't You Cry Your Heart Out

Baby girl I would never tell you lies..
No crocodile tears
To messing with your mind
We could talk forever
Past the end of time
I promise you a love that'll never make you blind

But when i'm here with you not a cloud in your view
Nothing blocking out the light.. not like he used to do
Don't listen to his sorries girl.. Drop him! Drop him!
He really needs stop it! cause i'm your only topic now...
With me you'll never end up in the same silly
situations.. NO!
Don't you know that if you were to walk then i'll be here
waiting.. YEAH!
Girl don't you cry your heart out (please don't cry)
Let me stop before you start out
Don't need his explanations NO! (not need them)

Cause he don't really wanna.. KNOW, ABOUT.
The way you feelin now
Cause i'm the one who's here for you.. no doubt.
So don't you cry your heart out

CRY. CRY. CRY.

Its time for him to cause you've
Already cried enough to put out the fires he left behind

YEAH. Why! Why! Why!

Everything he never did has come back on him
Look at us now! didn't I tell you
SO! it's his turn..

Girl don't you cry your heart out
Let me stop before you start out
Don't need his explanations.. NO!
Cause he don't really wanna.. KNOW ABOUT.

The way you feelin now
Cause i'm the one who's here for you.. no doubt.
So don't you cry your heart out

Girl don't you cry your heart out
Let me stop before you start out
Don't need his explanations.. NO!
Cause he don't really wanna.. KNOW, ABOUT.

The way you feelin now
Cause i'm the one who's here for you.. no doubt.
So don't you cry your heart out

Girl don't you cry your heart out
Cause i'm the one who's here for you.. no doubt.
So don't you cry your heart out.
