[Lyrics: Kenneth Nyman]

OVERLOADED WITH EMOTIONS  
OF THE DARKEST KIND  
IN MY SEE-THROUGH-SKIN  
BREATHING THE THICK AIR  
I MOAN AND SHIVER

THE MISANTHROPE SUPREME  
INFESTS MY MIND AND SOUL

LIKE A CANCER  
IT EATS ME FROM INSIDE  
I WEAKEN - IT PROSPERS

MY SUFFERING  
- it's ONLY MISSION

WITH A TREMBLING VOICE  
IT SPEAKS THROUGH ME  
WITH WORDS SO FRIGHTENING

SELF DESTRUCTIVE IMPULSES  
POISON MY EVERY THOUGHT

TOO WEAK TO OFFER  
ANY RESISTANCE  
I WILL DIE  
AS I HAVE LIVED...ECLIPSED

LIFE IS MY PRISON  
TO ESCAPE MEANS SUICIDE
