I feel so close to you right now,
its a force field,
I wear my heart upon my sleeve, like its a big deal
Your love pours down on me,
Surrounds me like a waterfall
And there's no stopping us right now
I feel so close to you right now.
(Hey!)

I feel so close to you right now,
its a force field,
I wear my heart upon my sleeve, like its a big deal
Your love pours down on me,
Surrounds me like a waterfall
And there's no stopping us right now
I feel so close to you right now.
I feel so close to you right now
And there's no stopping us right now
And there's no stopping us right now
And there's no stopping us right now
I feel so close to you right now...
I feel so close to you right now...
