Yeah, When I look at you
Its like a getaway
I can feel the sun
Shininâ€™™ on my face
If Iâ€™™ m dreamin'
Donâ€™™ t let me wake
â€™™ Cuz I'm In Paradise

Everytime we kiss
It's like a crashing wave
I can feel the rush,
What a sweet escape
I'm divin in, to your embrace
'Cuz im in paradise

When I lay with you
It's like we're innocent
Staring at the blue sky baby (baby)
I don't want this day, to ever end
'Cuz I'm in paradise

Baby let me tell you something
You and I are really something
I just want to ask you
Can you feel it

As long as the sun is shining
I know you're the light behind it
Brighter than brighter than brighter than baby

C'mon

When I see you smile
It's like as summer breeze
Blowing me away
From reality
If Iâ€™™ m dreamin'
Just let me be,
'Cuz I'm in Paradise

In Paradise
Yeah, yeah

In Paradise
Just let me be
Just let me be
Paradise
