I like this right hereâ€¦

This girl she came round the corner

Looking like a model

Magazine figure

She was shaped like a bottle

Long straight hair

She was fly as a bird

First time ever

I was lost for words

Felt so right

Just couldn't be wrong

Love at first sight

If that exists at all

I couldn't move

Felt like I was stuck

And then baby girl looked up

And I said

Hey there pretty brown eyes

Whatcha doing later tonight?

Would you mind if I spent a minute with you?

And I said

Hey there pretty brown eyes

Whatcha doing later tonight?

Would you mind if I spent a minute with you?

This girl she was a little hottie

She knows she's got it

Came from the city so she loves to party

The JT song make her move that body

She's dancing all night long

I could tell that she was a wild one

That's why I was shy at first

But I finally worked up the nerve

And I said  
Hey there pretty brown eyes  
Whatcha doing later tonight?  
Would you mind if I spent a minute with you?

And I said  
Hey there pretty brown eyes  
Whatcha doing later tonight?  
Would you mind if I spent a minute with you?

Spend a little bit  
A little bit of time with you  
Spend a little bit  
A little bit of time with you  
Spend a little bit  
A little bit of time with you  
Spend a little bit  
A little bit of time with you

Hey hey little pretty brown eyes  
Don'tcha ever be looking at them other guys  
'Cause ain't never had no surfer like me  
Start swimming over here and ride my wave  
'Cause I see that you party like there's no tomorrow  
Let's leave the party  
I'll grab my guitar  
I got the keys  
So jump in my car  
Sit back, relax  
Australia's kinda far

Hey there pretty brown eyes  
Whatcha doing later tonight?  
Would you mind if I spent a minute with you?

And I said  
Hey there pretty brown eyes  
Whatcha doing later tonight?  
Would you mind if I spent a minute with you?

Spend a little bit  
A little bit of time with you  
Spend a little bit  
A little bit of time with you  
Spend a little bit  
A little bit of time with you

Spend a little bit  
A little bit of time with you
