Ladies and gentlemen
It's my pleasure to introduce to you
He's a friend of mine
Yes, yes I am
And he goes by the name... (haha)
Justin
Wowwww

All the way
from Memphis, Tennessee
And he's got somethin' special for y'all tonight
He's gonna sing a song for y'all
About this girl

Come in right here?

Yea, come on
On that sunny day didn't know I'd meet,
Such a beautiful girl walking down the street
Seen those bright brown eyes
With tears coming down (so he said to himself)
She deserves a crown
But where is it now
Mama listen

Senorita, I feel for you
You deal with things, that you don't have to
He doesn't love ya, I can tell by his charm
But you could feel this real love
If you just lay in my

Running fast in my mind
Girl won't you slow it down
If we carry on this way this thing might leave the ground
How would you like to fly?
That's how my queen should ride

But you still deserve a crown

Well hasn't it been found?

Mama listen..

Senorita, I feel for you (feel for you)

You deal with things, that you don't have to (no, no)

He doesn't love ya, I can tell by his charm

(he don't love ya baby)

But you could feel this real love (feel it)

If you just lay in my...

Ah, ah, arms...

(Won't you lay in my)

Ah, ah, arms...

(Mama lay in my)

Ah, ah, arms...

(Baby won't you lay in my)

Ah, ah, arms...

When I look into your eyes

I see something that money can't buy

And I know if you give us a try

I'll work hard for you girl

And no longer will you ever have to cry...

Senorita, I feel for you

You deal with things, that you don't have to

(Deal with things you don't have to)

He doesn't love ya, I can tell by his charm (no, no)

But you could feel this real love (feel it)

If you just lay in my...

Ah, ah, arms...

(Whoa)

Ah, ah, arms...

(My baby)

Ah, ah, arms...

(Oooh, yea)

Ah, ah, arms...

Now listen,

I wanna try some right now,

See they don't do this anymore.

I'ma sing something

And I want the guys to sing with me

They go:
"It feels like something's heating up, can I leave with you?"
And then the ladies go
"I don't know but I'm thinking bout, really leaving with you"
Guys sing!
It feels like something's heating up, can I leave with you?
And ladies..
I don't know but I'm thinking bout, really leaving with you
Feels good don't it? Come on
It feels like something's heating up, can I leave with you?
Yea, ladies
I don't know but I'm thinking bout, really leaving with you
Show the good to me

Sing it one more time
It feels like something's heating up, can I leave with you?
Ladies,
I don't know but I'm thinking bout, really leaving with you
Yea, yea..
It feels like something's heating up, can I leave with you?
Ladies,
I don't know but I'm thinking bout, really leaving with you

Gentlemen, good night, Ladies, good morning

That's it
