I put into nashville, tennessee

But you wouldn't even come
Around to see me

Since your heading up to
Carolina
You know I gonna be right there
Behind ya

'Cause I always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
I always have to steal my kisses from you

Now I love to feel a warm
Southern rain

Just to see it fall is the sweetest
Sounding things

And to see it fall on your simple
Country dress

It's like heaven to me, I must confess

'Cause I always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you

Now I've been hangin' 'round you, for days

But when I'm leaning you, just turn
Your head away

Woahhh you didn't mean that
She said I love the way you think
But I hate the way you act

'Cause I always have to steal my kisses from you

Always have to steal my kisses from you
Always have to steal my kisses from you
I always have to steal my kisses from you

Always have to steal my kisses from
I always have to steal my kisses from you
Always have to steal my kisses from
I always have to steal my kisses from you
