Hey nice to meet you, what's your name?
I saw you walkin' up my way girl
Oh maybe we could spend the day
We could lay my jacket out on the sand
And do something

I'm sorry that my hair's so wet
I'm sorry girl but have we met before?
It's not something that I'd forget
Come on baby, take my hand
Let's do something

'Cause sun is setting soon
Honey honey
I won't let you walk alone
And when the sun comes up tomorrow
I'ma walk you home

Chorus:
All I wanna do is hang with you
Every day in summer shade
All I wanna do is be with you
Be with you, oh yeah
All I wanna do is hang with you
Every day in summer shade
All I wanna do is be with you
Be with you, oh yeah , yeah , yeah.

I just wanna be your man
I just wanna see you dancin'
I'll take you to the south of France
Watch the fireworks tonight uh yeah

'Cause sun is setting soon
Honey honey
I won't let you walk alone
And when the sun comes up tomorrow
I'ma fly you home

Chorus:
All I wanna do is hang with you
Every day in summer shade

All I wanna do is be with you
Be with you, oh yeah
All I wanna do is hang with you
Every day in summer shade
All I wanna do is be with you
Be with you, oh yeah ,yeah , yeah.

Oooohhh oooh yeah yeah
Oooohhh oooh yeah yeah

I'ma be with you girl summer, fall, winter, spring
You could be my queen and baby I'ma be your king
Tell me what you want, I'll give you everything
Okay ey ey ey ey

[Chorus:]

Ooooh oooh yeah yeah
All I wanna do
Ooooh oooh yeah yeah
All I wanna do
Is hang with you
Every day in summer shade
All I wanna do is be with you
Be with you, oh yeah , yeah, yeah.
