Like this right here.

It's the first of february,
and i can't get you outta my head
i've spent a lot of time searching
for the one i wanna be with.
the prettiest girl i ever did see
didn't look good, but was she aiming at me?
i wonder if, i wonder if she knows,yeah...oh

So if you've found the one
throw your heart in the sky
let'em see hat love has started
now i'll never have to wonder why
'cause she'll know for sure

She's the reason i'mma
buy a lot of candy
in the mall spending all my money
i gotta make it clear so
she understand me
i ain't got a girlfriend
but baby you could be
my valentine
baby you could, baby you,
baby you could be my,
valentine(x4)
