knowing that he kissed you
o damn i cant believe you
i cant believe you took it there
did he run his fingers through your hair
did he sing to you like this
why'd you let him steal that kiss
i thought you loved me girl
im on my knees
i thought no one could stop us
i thought no one could stop us
and i forgive you girl
for what you did
let me handle this babe
go on tell
me his name
hes what you want
hes what you want
hes what you want
hes what you want
im what you need
im what you need
im what you need
im what you need
im what you need
hes what you want
hes what you want
hes what you want
hes what you want
im whatcha need
im whatcha need
im whatcha need
