Iâ€™ll take my time  
Let the tears fall down  
From my face  
Wash the pain away  
Weâ€™re all speeding  
Lost in this race  
And my heartâ€™s in a hearse  
Can we put it in reverse, babe

Cause I canâ€™t even feel the drum and bass  
Itâ€™s drowned out by the beat my heart makes  
I hear that song but something is wrong  
My mindâ€™s a million miles away

Ohh, Everybodyâ€™s going to the floor  
Maybe I donâ€™t want to dance anymore  
Donâ€™t want to dance anymore  
How can you dance the pain away  
How can you dance the pain away  
Oh dance the pain away  
I canâ€™t dance the pain away  
How can you dance the pain away  
How can you dance the pain away  
Oh dance the pain away  
I canâ€™t dance the pain away

Touch that dial  
Iâ€™m changing the station  
Cause I canâ€™t smile  
Like everyone else  
Play my sad song  
In heavy rotation  
I wonâ€™t go out  
Iâ€™m trying to save myself

I canâ€™t even feel the drum and bass  
Itâ€™s drowned out by the beat my heart makes  
I hear that song but something is wrong  
My mindâ€™s a million miles away

Ohh, Everybodyâ€™s going to the floor

Maybe I don't want to dance anymore  
Don't want to dance anymore  
How can you dance the pain away  
How can you dance the pain away  
Oh dance the pain away  
I can't dance the pain away  
How can you dance the pain away  
How can you dance the pain away  
Oh dance the pain away  
I can't dance the pain away

I can't dance tonight  
Oh everybody's movin but I'm tired  
I can't dance tonight  
I try to keep it movin but I but I but I

I can't dance the pain away  
I can't dance the pain away  
I can't dance the pain
