We're gonna party
Let's get it started
Let loose make some noise
Free your mind.

You can't deny it
Don't try to fight it
It's just the time
To get down.

So fulfil your fantasy
Tell me don't you agree
Get your body to move
There ain't no excuse.

We're gonna party
Let's get it started
What does it take
To make you feel right.

We're gonna party

Let loose make some noise
Free your mind.

Don't try to fight it
It's just the time
