Yeah
And I love my sex
Yeah

I love my dresses, cars, perfumes, and jewels
I love my money, power
And I love my sex
And I love my sex

Sex

I love my dresses, cars, perfumes, and jewels
I love my money, power
And I love my sex

Romanian:
fete frumoase si tari
au pretenzii si dusmani
fac bani si dau de belele
ca asa sunt destinate
le plac baietzii tari
noaptea fac pariuri mari
dupa ce ii intalnim
tot singure ne gasim
in lume mereu fugim
norocul il cautam
fericirea este rara
si totusi ne inconjoara
iubire pura visam
reusim sa o avem
dupa ce o intalnim
tot singuri ne regasim

English translation:
stunning super cool girls
have great standards and great foes
they make cash and get in trouble
â€˜cause thatâ€™s what theyâ€™re destined to
they like the cool guys
they place bets all night
after we meet them
we still find ourselves alone.

we keep running through the world
searching for our lucky charm
happiness is truly rare
although it's surrounding us
we all dream of pure love
and we get to find it
and after we find it
we still find ourselves alone.
