Lyrics: Kenneth Nyman

With no prerequisite of living  
I'm existing  
Only to suffer  
Just to breathe means pain

Cursed with existence

With no more blood to bleed  
From my burst veins  
My heart pounds on  
Against all odds  
Bearing countless sorrows  
Suffering all losses  
Infested with vermin  
Consuming my twisted soul

Cursed with existence  
Touch me and die!

I'm an infernal mass  
A world war embodied  
Mentally collapsed  
I bear chaos within

Touch me and die!
