[Lyrics: Kenneth Nyman]

Behind Doors  
Locked From Inside  
Somewhere In Time  
Something Went Terribly Wrong

Former Persons  
Since Long Phased Out  
Gone

Within Four Walls  
Somehow Past Lives Go On

Poisoned Numb  
They No Longer Feel  
Every Sense Has Been Put To Sleep

Disordered Blank Thoughts  
A Wordless Nothing  
Now Fills Their Carefree Minds

Inhaling/Exhaling  
Time Goes On  
Inhaling/Exhaling  
Dying Prolonged

Terribly Wrong  
On And On
