Music: Kenneth Nyman & Rickard Thulin

Lyrics: Kenneth Nyman

Invaded by false emotions

My pain becomes unreal

I've given in to the eater of life

I'm nothing but a failure

My body screams for the spirit

That makes the aching stop

I've given in to the eater of life

I'm nothing but a failure

Make me

Emotionless

Rape my

Disordered soul

Life means nothing, defeated

Awake, I dream of death

I've given in to the eater of life

I'm nothing but a failure
