(Jason Thomas Mraz)

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks, now I'm trying to get
back
Before the cool done run out, I'll be giving it my bestest
And nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

But I wont hesitate no more, no more, it cannot wait, I'm
yours

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love
Listen to the music of the moment people dance and
sing
We're just one big family and
It's our God-forsaken right to be loved love loved love
loved

So I won't hesitate no more, no more, it cannot wait, I'm
sure
There's no need to complicate, our time is short
This is our fate, I'm yours

D-d-do do you, but do you, d-d-do
Scooch closer dear so I can nibble your ear
I've been spending way too long checking my tongue in
the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and laughed
I guess what I be saying is there ain't no better reason
To rid yourself of vanity and just go with the seasons
It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more, it cannot wait,
I'm yours

Well open up your mind and see like me (I won't
hesitate)
Open up your plans and damn you're free (No more, no
more)
Look into your heart and you'll find the sky is yours
(It cannot wait, I'm sure)
So please don't, please don't, please don't
(There's no need to complicate)
There's no need to complicate (Our time is short)
'Cause our time is short (This is our fate)
This is, this is, this is our fate, I'm yours.
