I left my girl back home  
I don't love her no more  
And she'll never fucking know that  
These fucking eyes that I'm staring at

Let me see that ass  
Look at all this cash  
And I've emptied out my cards too  
Now I'm fucking leaning on that

Bring your love baby I can bring my shame  
Bring the drugs baby I can bring my pain  
I got my heart right here  
I got my scars right here

Bring the cups baby I can bring the drink  
Bring your body baby, I can bring you fame  
And that's my motherfucking word too  
Just let me motherfucking love you

Listen ma I'll give you all I got  
I need all of this, I need confidence in myself

Oh

Listen ma, I'll give you all of me  
Give me all of it, I need all of it to myself

Oh

So tell me you love me  
Only for tonight  
Only for tonight  
Even though you don't love me  
Just tell me you love me  
Even though you don't love me

Let me see you dance  
I love to watch you dance  
Take you down another level

I got you dancing with the devil

And take a shot of this  
But I'm warning you  
I'm on that shit that you can smell baby  
So put down your perfume

Baby bring your love I can bring my shame  
Bring the drugs baby I can bring my pain  
I got my heart right here  
I got my scars right here

Bring the cups baby, I can bring the drink  
Bring your body baby, I can bring you fame  
And that's my motherfucking word too  
So let me motherfucking love you

Listen ma, I'll give you all I got  
Give me all of this, I need confidence in myself  
Oh

Listen ma I'll give you all of me  
Give me all of it, I need all of it to myself  
I need all of it

So tell me you love me  
Only for tonight  
Only for tonight  
Even though you don't love me  
Woah  
Just tell me you love me  
Even though you don't love me
