Jesus you're all we need.
If your take away everything, Lord I still have you.
When my friends walked away, Lord I ran to you. (Lord I
ran)
Your mercy endureth, forever and today.
Cause Lord your real and I can feel, that your gonna
make a way.
Cause now I know, what real love is.

(Chorus)
Ever since I saw face, herd your voice,
Lord, your all I'm living for.
Ever since I saw face, herd your voice,
Lord, your all I need.
Lord, your all I need.
Jesus you're all I need.

If your take away everything, Lord I still have you.
When my friends walked away, Lord I ran to you.
Your mercy endureth, oh forever and today.
Cause Lord your real and I can feel, that your gonna
make a way.
Cause now I know, what real love is.

(Chorus)
Ever since I saw face, herd your voice
Lord, your all I'm living for.
Ever since I saw face, herd your voice.
Lord, your all I need.
Jesus you're all I need.
Lord, your all I need.

Somebody help me sing,
Jesus, your all I need.

Oh, in the midnight hour.
Somebody help me sing,
Jesus, your all I need.
When I was alone, Jesus.
Jesus, your all I need.
When everybody was gone, Jesus.
Oh I want sing with you Lord.

Jesus, your all I need.
Hallelujah, Lord.
Thank you Jesus.

(Chorus)

Ever since I saw face, herd your voice
Lord, your all I'm living for.
Saw your face, herd your voice.
Jesus, your all I need.
Lord, your all I need.
Jesus you're all I need.

See I'll take you over silver and gold
Lord, your all I need.
Jesus, your all I need.
I just want to hear your voice, in the midnight hour.
Jesus, your all I need.
Oh Jesus you're all I need.
Jesus, your all I need.
Help me to stay right, help me to live right.
Oh Lord yes, Lord yes.
