I'm singing to the pretty girl  
That walked by my door today  
I'm singing to the lonely girl  
Waiting for a good man to come and take her away  
I met her at a stop light  
She was impatient so she didn't wanna make eyes  
All I have is one question  
I begged for her attention ain't no riddle real simple  
Can I  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I babe  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I  
Can I can I can I call you tonight baby can I can I  
Listen babe  
I'm singing to the shy girl  
Waitin for her phone to ring  
I'm singing to the cheerleader  
Lookin in the stands tryna find prince charming  
I met her in a walmart line  
Impatient so she paid Coffey no mind  
All I have is one question  
I begged for your attention ain't no riddle real simple  
Can I  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I babe  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I  
Can I can I oh put your hand inside of mine can I can I  
Listen babe

Can I say na na na na  
Oh I'll say na na na na  
[Repeat 4 times]

Can I  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I babe  
Buy you a flower  
Can I sing you a song  
Can we walk for an hour babe  
Can we spend the whole night on the telephone  
Can I can I can I call you tonight babe  
Can I can I can I babe [repeat to fade]
