Your eyes tell the stories of a day you wish you could
Recall the moments that once have
Re-track the footsteps that brought us to this favor
I wouldn't ask this of you

Good eye sniper
I shoot, you run

The words you scribbled on the walls
With the lots of friends you didn't have
I'll call you when the time is right
Are you in, or are you out
For them all to know the end of us all

Run quick they're behind us
Didn't think we'd ever make it
This close to safety in one piece
Now you want to kill me
In the act of what could maybe
Save us from sleep and what we are

Good eye sniper
Now i shoot, you run

The words you scribbled on the walls
With the lots of friends you didn't have
I called you when the time is right
Are you in or are you out
For them all to know the end of us all

Bye, bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step let down, face step step down

The words you scribbled on the walls
With the lots of friends you didn't have
I'll call you when the time is right
Are you in or are you out
For them all to know

Bye, bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step let down, face step step down

Bye, bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step let down, face step step down
