Home...

A silence between glares that stutters words  
misleading here...

Give me all you got with one shot sent to lend me no...  
Here across the grass between the glass  
I know...You're not the one I left to wait here, helping

I...I left in a sudden rush  
And never said why  
You...Couldn't know  
That I had no goodbyes

But I wish that you were  
I'm spying on you. Newo!  
The way that you would have been if I  
Had stayed here at home  
I'm givin' it up Newo!  
How important I would have been to you

Press the steps I take to cross your doorframe  
You decide to answer when my fist swings hello

I, I left in a sudden rush and never said why you  
Couldn't know that I had no goodbyes  
Oh but I wish that you were  
I'm spyin' on you. Newo!  
The way that you would have been if I  
Had stayed here at home  
I'm givin' it up Newo!  
How important I could have been to you

Casting quarters into wells that hold our dreams  
You won't believe me...  
If I told you so

Casting quarters into wells that hold our dreams  
You won't believe me  
I wouldn't if you told me so

Oh oh oh oh- Yeah

Oh but I wish that you were  
I'm spyin' on you Newo!  
The way that you would have been if I  
Had stayed here at home  
I'm givin' it up Newo!  
How important I would have been to you
