In time I will change I will you know.  
In dough I've been out. I've been out!

I'm waiting around the door  
trapped in a replay of yesterday you,  
You aren't around at all  
feels like it's sending me out of my mind.

I'm waiting around the door  
waiting for something more  
trapped in a replay of yesterday you,  
you aren't around at all bopt on nuddy  
or trapped in a replay  
shot down no warining remix in the morning.

Stuttering get it out trying to say something.  
Sending me out of my mind  
I've been out of sending me out of my mind  
I've been out of.

Stuttering get it out trying to say something  
sending me out of my mind.

Shot down no warning remix in the morning  
over again and again  
it's just sending me out of my mind.

In time I will change I will. Control all of control all of!
