I can feel it in the way your blood and heart beats  
(My body's cold and it thinks that I'm already gone)  
Or is it in the way your body moves  
(I'd like to tell you. But I think that you already know)  
The words I drag out from your mouth speak  
(So listen up world, listen up world)  
In her vision I have given company  
(They see no evil in leading their bodies from home)

Believer, you'll leave her, in leaving them all  
(No but I don't buy it)  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all  
( No but I don't buy it)  
Like anything you do, as anyone you are  
Believer, you'll leave her, in leaving them all  
( No but I don't buy it)  
Like anything you do, as anyone you are

If written wrote me even chance  
And the choice to save you  
I wouldn't answer if it even had to ask  
In her figure I've instilled a taste of my own  
(So listen up world, listen up world)  
To make it easier to take what life I'm owed  
(As the curse has returned from the hell of your  
Heart and your soul)

Believer, you'll leave her, in leaving them all  
(No but I don't buy it)  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all  
(No but I don't buy it)  
Like anything you do, as anyone you are

Nobody knows but you  
Nobody knows but you

'Cause I don't want to ride tonight...  
No I don't want to go  
I don't want to ride tonight...  
Or maybe I don't want to go

[Spoken:]

"But are you going to kill her off?"

"Are you insane? I love her character, she stays."

"Yeah, well the only thing love's done is put you in this position; I say kill her off!"

"Yeah, but you say a lot of things... and how does that work? You're a bicycle"

Believer, you'll leave her, in leaving them all  
(No but I don't buy it)  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all  
(No but I don't buy it)  
Like anything you do, as anyone you are

Cause I'm...  
Ten Speed, of God's Blood & Burial [x7]  
Ten Speed, of God's Blood
