I can feel it in the way your blood and heart beats
(My body's cold and it thinks that I'm already gone)
Or is it in the way your body moves
(I'd like to tell you but i think that you already know)
The words that drag up from your mouth speak
(So listen up world, listen up world)
In her vision I have given countless heed?
(They see no evil in leaving their body and soul)

Believer, you'll leave her, in leaving them all (No, but I
don't buy it)
Like anything you do as anyone you are
(Ten speed if I must, then I must)
Believer, you'll leave her, in leaving them all (No, but I
don't buy it)
Like anything you do as anyone you are

If was given chance and choice to save you
I wouldn't answer if it even had to ask
In her figure I've instilled the taste of my own
(So listen up world, listen up world)
To make it easier to take what lives I'm own
(To return from the horror of your heart and soul)

Believer, you'll leave her, in leaving them all (No, but I
don't buy it)
Like anything you do as anyone you are
(Ten speed if I must, then I must)
Believer, you'll leave her, in leaving them all (No, but I
don't buy it)
Like anything you do as anyone you are

Nobody knows but you

Nobody knows but you
Nobody knows but you
(Cause I don't wanna ride tonight, no I don't want to go)
Nobody knows but you
(I dont wanna ride tonight, oh baby I don't want to go)

"But are you going to kill her off?"

"Are you insane? I love her character, she stays."

"Yeah, well the only thing love's done is put you in this position; I say kill her off!"

"Yeah, but you say a lot of things... and how does that work? You're a bicycle"

Believer, you'll leave her, in leaving them all (No, but I don't buy it)

Like anything you do as anyone you are

(Ten speed if I must, then I must)

Believer, you'll leave her, in leaving them all (No, but I don't buy it)

Like anything you do as anyone you are

Cause I'm

Ten speed and God's blood and burial Ten speed of
God's blood and burial

Ten speed and God's blood and burial Ten speed of
God's blood and burial

Ten speed and God's blood and burial Ten speed of
God's blood and burial

Ten speed and God's blood and burial Ten speed of
God's blood!
