in our sleep
there's more to this night
where will she beg for your mercy?
slowly but sure, im hoping what comes
in the absence of night, she'll kick and she'll fight
should they fail in his sight ...
ill warrant them all, the end of us all

please mom,
they're coming for me
please mom,
run, lock your door,
they're coming for me

when the clock reads 21:13
our work will stop and the ground will release

please mom,
they're coming for me
please mom,
run, lock your door,
they're coming for

when i fall asleep, your face is all i see
dear momma, i love
i fall asleep, your face is all i dream
dear momma, i love

in your frame you'll be this well ...
in the face you miss the most, you'll see them soon
stop, i bid you fair warning, stay up till you
when the memories occur of a life you havent lived
stay still, you will
i've gotta secret to hide
and i've gotta secret to hide

TO TIME CONSUMER:
"in the words, a father to son
thy kingdom come"

whoa oh oh oh oh
whoa oh oh oh oh

whoa oh oh oh oh
whoa oh oh oh oh

please mom,
they're coming for me
please mom,
run, lock your door,
they're coming for

when i fall asleep, your face is all i see
dear momma, i love
i fall asleep, your face is all i dream
dear momma, i love

whoa oh oh oh oh
whoa oh oh oh oh

when i fall asleep,
whoa oh oh oh oh
whoa oh oh oh oh
when i fall asleep.

TO I, ROBOT:
"in those days we lost our dignity
the eager dare to stand
the ride home through victory
on the innocent, they tread
but i, robot will never die
i, robot will never die
but i, robot will never die
but, i robot will never die"
