Your eyes tell the stories of a day
You wish you could recall the moments
That once have retrack the footsteps
That brought us to this favor
I wouldn't ask this of you

Good eye, sniper, here I'll shoot, you run
The words you scribbled on the walls
With the loss of friends you didn't have
I'll call you when the time is right
Are you in or are you out?
For them all to know the end of us all

Run quick, they're behind us
Didn't think we'd ever make it
This close to safety in one piece
Now you wanna kill me in the act
Of what could maybe
Save us from sleep and what we are

Good eye, sniper, now I shoot, you run
The words you scribbled on the walls
With the loss of friends you didn't have
I'll call you when the time is right
Are you in or are you out?
For them all to know the end of us all

Bye bye beautiful
Don't bother to write
Disturbed by your words
And they're calling all cars
Face step, let down
Face step, step down

The words you scribbled on the walls
With the loss of friends you didn't have
I'll call you when the time is right
Are you in or are you out?
For them all to know

Bye bye beautiful
Don't bother to write

Disturbed by your words
And they're calling all cars
Face step, let down
Face step, step down

Bye bye beautiful
Don't bother to write
Disturbed by your words
And they're calling all cars
Face step, let down
Face step, step down
