Why?
Why?
Wide open
Wide Oh
(Why?) open

Cassio, could you love me more...? More?
Can we be friends...?
On a journey to Tibet
I call "freedom"
Words unsung

Hold me close
Don't let the wind follow
Don't let the wind take us away

Cassio...
What the fuck - Would you do anything to work out all
wrong?
It's my freedom
Cassio! Cassio!

Cassio...
Can you stomach what I've done, oh, to your soul..?
To your soul?
Can we drown?
Getting caught in muddy waters?
Ooh and go down
Ooh forever in doubt

Hold me close
Don't let the wind follow
Don't let the wind take us away

Cassio..
What the fuck - Is anything worth it at all?
It's my freedom
Cassio! Cassio!

Never let me go!
She's been higher
It's my fault!

She never let up
It's my lonely year, its the only salvation
Ooh yeah, it's my final request

Going down... Down
Going down...
My fault, no we're going down! BYE!
Oh we're crashing down, down, down
Oh we're crashing down, down, down
Oh we're crashing down, down, down
Oh we're crashing down, down yeah...

Going down... Down

Yeah
Now I know your higher, down
Mm bye Cassio...
Cassio...
