New Jersey bound when sound asleep  
They'll find you at your most vulnerable  
Poll position speak up let out  
When down the street the corner boys fuck shit up

Scream loud, scream sayonara oh oh oh  
Sweet Josephine will you follow me home?  
Scream loud, scream sayonara oh oh oh  
Sweet Josephine will you fuck me back home?  
Let's fire it up, haha now  
Let's fire it up, haha now sayonara

Don't let them scare you  
When you're down on the floor bleeding bastard  
You'll be getting home real soon  
And I'll pray for you, high health  
Don't let them scare you  
When you're down on the floor bleeding bastard  
You'll be getting home real soon

Speak up let out caught in the crossfire  
Compared to the step to the bone that might break  
It's too late to find a better way out of this  
With the finest regards that I lost in the cracks of this  
street

Scream loud, scream sayonara oh oh oh  
Sweet Josephine will you follow me home?  
Scream loud, scream sayonara oh oh oh  
Sweet Josephine will you fuck me back home?  
Let's fire it up, haha now  
Let's fire it up, haha now sayonara

Don't let them scare you  
When you're down on the floor bleeding bastard  
You'll be getting home real soon  
And I'll pray for you high health  
Don't let them scare you  
When you're down on the floor bleeding bastard  
You'll be getting home real soon

Don't let them scare you

When you run they'll follow you  
When you run they'll follow you  
When you run they'll follow you
