If you had the courage to stop me from turning into  
what would be the worst in everybody's eyes,  
Hey I'm no angel, or the devil of your conscience to tell  
you who to be... good, bad, ugly or otherwise.  
If you had good common sense your choices would be  
gleaming, flawless.  
I want no part in this self-deprecating worthless  
chemistry.  
We made our beds to lie in them proud, proud of our  
great mistakes!  
This warring knife, the flash of its blade, turn about-  
face!  
I implore you, brother,  
Don't walk away... don't walk away from me,  
'cause this is our war.  
Oh you think they've had it all while you were left with  
nothing,  
Ohoh, you've taken the fall for them to walk all over.  
You made your bed so soft and comforting,  
These dreams await the great good morning.  
We made our beds to lie in them proud, proud of our  
great mistakes!  
This warring knife, the flash of this blade, turn about-  
face!  
I implore you, brother,  
Don't walk away... don't walk away from me,  
'cause this is our war.  
Oh we've got you by the throat ha ha ha!  
Oh you wannabe!  
Welcome ooh, to the everlasting all-time low,  
Please put your hands together for the ever-failing one  
man show: Domino.  
Ladies and broken gentlemen,  
The undisputed champ of misery,  
In this corner we find his challenger,  
The Pride of Utopia, the greatest thing ever.  
(Woah oh's)  
Ah ha ha ha hahaha!  
(Woah oh's)  
Ah ha ha ha hahaha!  
If you could recall one moment of your past,  
That defined you to be, that made you the man,

We've come to love all the above? Oooh!  
This disaster binds us absolute. A thousand lies.  
You tell yourself that no-one ever loved you right,  
Oooh but I would do anything for you.  
The questions fits the question mark.  
Your signals crossed your message lost!  
HAHAH!  
This wall won't hold forever,  
Your time has come it's now or never.  
We made our beds to lie in them proud, proud of our  
great mistakes!  
This warring knife, the flash of this blade, turn about-  
face!  
I implore you, brother,  
Don't walk away... don't walk away from me!  
'cause this is our war!  
One by one,  
We are together!  
We fall together!  
One by one,  
We are together!  
We fall together!  
Come my Brother,  
Don't be afraid,  
We are together!  
We are together!  
Brother!  
We are together!  
We fall together!
