With the worries that i'd give her in they told the worst
of me
My wanting just to hold your neck in my arms and feel
me squeeze
No, I'm not going to give you what you want so if you
please
The sin that shapes your voice carries, my ears, this
new disease

Did somebody take your tongue?
In worries of the words that you couldn't say, if they
could've save them from
But I don't want to sleep without, so I bid to you,
goodnight,
Tonight, sleep tight, my love

The anxious through the calming storm, you'll sit as
you pray for rain
I'll touch it if ask me to but how is up to you
No, I'm not going to let you get up if you struggle
willingly
I'll favor all your form to show you how it's been done to
me

Did somebody take your tongue?
In worries of the words that you couldn't say, if they
could've save them from
But I don't want to sleep without, so I bid to you,
goodnight,
Tonight, sleep tight, my love

With all the words you say...
you'll save

You were so well behaved
As you arched and made your way
this gift for you engraved
the shift as you stretch your legs
You were so well behaved
You were so well...
Who taught these tricks that make...you were so well

behaved

If the world stops turning girl you better not stop when I
say

If there was nothing you could do stop it, why'd you try
Then the ground starts parting through the silence as
you woke up the dead
Everything here dies alone...

But I'm not quite sure what you've been told... On labor
day

Ooh, I'm not starting with you but the faint of hearts

While worries wait

But I'm not quite sure what this unfolds... On labor day
I'm not starting with you but the faint of hearts

Did somebody take your tongue?

In worries of the words that you couldn't say if they
could've saved them from

But i don't want to sleep without, so i bid to you,
goodnight,

Tonight, sleep tight, my love

(With all the words you say)

Did somebody take your tongue?

In worries of the words that you couldn't say if they
could've saved them from

But i don't want to sleep without so i bid to you,
goodnight,

Tonight, sleep tight, my gun
