coo coo cachuu
(hahaha)

with the worried that i give to her
they told the worst of me
my wanting to just to hold your neck
in my arms
and feel me squeeze,

no im not guna give you what you want so if you please
the sin that shapes your voice carries my ears this new
disease,,

did somebody take you 'tongue'
in worries of the words that you couldnt say
if they couldve saved
them from,,,

but i dont wana sleep without so i bid to you goodnight
tonight.
sleep tight
my love

the axnious through the calming storm as youll sit prey
for rain
ill touch you if u ask me too but how is up to u,,
now im not guna let you get up if you stuggle willingly
i'll favor all your form to show you how its been done to
me

did somebody take your 'tongue'
the worries of the words that you couldnt say
if they couldve saved
them from,,
but i dont wana sleep without
so i bid to you goodnight sleep tight
my love
with all the words youll say,, youll sayyy

you were so well behaved,,
as you arched and made your way
this gift for you engraved,

the shift as you stretch your legs
you were so well behaved,,,

you were so well,,
who taught these tricks that made, you were so well
behaved

if the world stops turning girl you better not stop when i
say,,

if there was nothing you could do to stop me
whyd ya try?!

then the ground starts parting through the silence as
you woke up the dead,,

everything,, here dies alone...

but im not quite shure what youve been told

on labor day,,

im not starting with you but the faint of hearts,, will
worries weigh,

and im not quite shure what this unfolds

on labor day,,

im not starting with you but the faint of hearts

did somebody take your 'tongue'
in worries of the words that you couldnt say
if they could've saved
them from,,

but i don't want to sleep without
so i bid to you goodnight
tonight
sleep tight
my love
with all the words you say

did somebody take your 'tongue'
in worries of the words that you couldnt say
if they could've saved
them from ,,,
but i don't want to sleep without
so i bid to you goodnight
tonight,,
sleep tight,,,

my gun.
